**SACYR SERVICES LAUNCHES “SACYR CONTIGO” APP TO
ENHANCE COMMUNICATION WITH ITS EMPLOYEES**

- **The app allows the 30,000 professionals of the Sacyr subsidiary to receive their paycheck on their mobile, download the tax withholding certificate and complete online training, among other functions.**

Madrid, April 23, 2020.- Sacyr has launched the “Sacyr Contigo” app, a **new direct channel of communication with its 30,000 employees** that make up the Sacyr Services workforce. This subsidiary of the Spanish multinational performs a wide array of services ranging from urban and environmental projects, to those related to water, facilities, infrastructure maintenance and restoration.

At a time when it is more important than ever to be close to all employees, Sacyr Services is reinforcing its commitment to its staff by providing access to relevant information. Employees can do the following:

- quickly and easily access their **paychecks**;
- download the personal income tax **withholding certificate** to complete their tax return;
- complete **online training** and access Sacyr news.

The app also has additional resources such as information on job offers, corporate volunteering opportunities, sports activities and the latest news, among others.

The app can be accessed by individuals with a password to ensure the confidentiality of the information.
