

PRESS RELEASE**THE SACYR FOUNDATION DONATES A VAN TO
ASOCIACIÓN ALEPH-TEA**

Madrid, July 15, 2020.- The Sacyr Foundation has donated a van to Asociación Aleph-TEA, a non-profit association.

The Sacyr Foundation has donated a van to Asociación Aleph-TEA, a non-profit association formed by the families of children with autism spectrum disorders (ASD). The donated vehicle—which previously belonged to Sacyr Social—was restored to pristine condition and adapted for people with reduced mobility before it was handed over to the association.

This collaboration with the association falls under one of the objectives of the Sacyr Foundation: cooperation for the development of disadvantaged groups. It is also aligned with Guideline 3 of the Corporate Social Responsibility (CSR) plan: Promote the ethical values and principles of Sacyr in the Plan Empresa Global 2020 (2020 Global Business Plan).
